TIGER AIRCRAFT LLC ANNOUNCES THE APPOINTMENT
OF TULE RIVER AERO-INDUSTRIES INC. AS AUTHORIZED
TIGER SALES AND SERVICE CENTER

Martinsburg, WV, July 21, 2005 - Tiger Aircraft LLC announces the appointment of Tule River Aero-Industries (TRAI) as the authorized Tiger Sales and Service Center for sales and customer product support on the West Coast for the Tiger AG-5B aircraft.

Tule River Aero-Industries is a full service FBO in Porterville, California offering a full range of services from aircraft refurbishing, modifications, avionics installations, maintenance, aircraft sales, and corporate aircraft flight support. In addition, Tule River Aero-Industries is the West Coast distributor for the SMA diesel engine and provides observation camera sales and installations to law enforcement divisions.

“We are very excited about the alliance of Tule River Aero-Industries with Tiger Aircraft. Tule River Aero-Industries brings a long-standing history of excellence in aviation sales, service, and customer support. We are pleased to appointment TRAI as our exclusive Tiger Sales Center for the West Coast including Arizona, Southern Nevada and the state of California,” said Mat Goodman, Sr. Vice President of Sales and Marketing, Tiger Aircraft, LLC.

For more information on the exciting Tiger please visit www.tigeraircraft.com or contact Tiger aircraft toll free at 877-80-TIGER.

Tiger Aircraft LLC was formed to revive, enhance, and build one of the most celebrated airplane designs in general aviation history – the Tiger. Tiger Aircraft is dedicated to upholding the Tiger tradition: providing the most exhilarating, agile, and dependable fixed-gear planes available in general aviations. Today’s Tigers are built in a new manufacturing facility in Martinsburg, WV, constructed especially to build the new Tiger.
